THE TRUMP ORGANIZATION

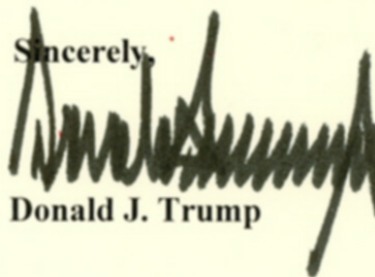

August 13, 2007

To Whom It May Concern:

I have known Bo Dietl professionally and personally for many years. When I owned the General Motors Building on Fifth Avenue, his company provided us with security. They did a terrific job.

Bo Dietl has ethics that carry him successfully through every venture and in every relationship. He is professional, diligent, and caring. He will give one hundred per cent to any job he does. I can recommend him without hesitation.

Sincerely,
